## Talk with the Pastor July 12, 2008

## LIVING UP TO YOUR POTENTIAL

A story is told of an Indian brave who found an eagle's egg and put it into the nest of a prairie chicken. The eagle hatched with the brood of chicks and grew up with them. All his life, the changeling eagle, thinking he was a prairie chicken, did what the prairie chickens did. He scratched in the dirt for seeds and insects to eat. He clucked and cackled. And he flew in a brief thrashing of wings and flurry of feathers no more than a few feet off the ground. After all, that's how prairie chickens were supposed to fly.

Years passed. And the changeling eagle grew very old. One day he saw a magnificent bird far above him in the cloudless sky. Hanging with graceful majesty on the powerful wind currents, it soared with scarcely a beat of its strong golden wings.

"What a beautiful bird!" said the changeling eagle to his neighbor. "What is it?"

"That's an eagle - the chief of the birds," the neighbor clucked. "But don't give it a second thought. You could never be like him."

So the changeling never gave it another thought. And it died thinking it was a prairie chicken.

So many of us are like that changeling eagle. We think like the world, talk like the world, act like the world and even dress like the world. We forget that God has chosen us to be His peculiar people, His holy nation, His royal priesthood to "show forth the praises of Him who called us out of darkness into His marvelous light."

Let us not forget that our destination is a place called heaven and we are getting ready for the society of angelic beings. Let us lift ourselves up from the miasma of our earthly dwelling places and start breathing the pure and unadulterated air of our heavenly home.

~~Simeon Rosete, Jr.
