### IF YOU KNOW THE SECRET, PASS IT ON

Do you know the secret to lasting happiness and total satisfaction in life? Or are you among the millions who find every day a grind, barely making it at the end of the day? There's just not enough energy and zest in that tired body of yours to cope with the seemingly insurmountable demands that pile up increasingly day after day. Maybe you hope to finally discover a potion, an herbal concoction or some kind of pill that will give you the answer to all of your needs.

You don't have to go very far in your quest. An anonymous writer has shared with me the secret and I am sharing the same with you.

### THE SECRET

One day, one friend asked another, "How is it that you are always happy? You have so much energy, and you never seem to get down."

With her eyes smiling, she said, "I know the Secret!" "What Secret is that?" To which she replied, "I'll tell you all about it, but you have to promise to Share the Secret with others."

"The Secret is this:

I have learned there is little I can do in my life that will make me truly happy. I must depend on God to make me happy and to meet my needs. When a need arises in my life, I have to trust God to supply according to His riches.

I have learned most of the time I don't need half of what I think I do. He has never let me down. Since I learned that 'Secret', I am happy."

The questioner's first thought was, "That's too simple!"

But upon reflecting over her own life She recalled how she thought a bigger house would make her happy, but it didn't! She thought a better paying job would make her happy, but it hadn't.

Where did she realize her greatest happiness?

Sitting on the floor with her grandchildren, playing games, eating pizza or reading a story - a simple gift from God.

IF YOU KNOW . . . continued

<p>Now you know it too!                  We can't depend on people to make us happy.                  Only God in His infinite wisdom can do that.                  Trust HIM.                  And now I pass the Secret to you!                  So once you get it, what will you do?</p>	<p>You have to tell someone the secret, too!                  That God in His wisdom will take care of you!                  But it's not really a secret . . .                  We just have to believe it and do it ...                  Really trust God!</p>
--	--

And now that the secret is out, what will you do about it? How about making it a reality in your life . . . then passing it on to your fellow traveler along Life's way?
