## TOTAL SURRENDER

A few centuries before Christ, Alexander the Great conquered almost all of the known world through sheer military strength, cleverness and little bit of diplomacy. The story is told that Alexander and a small company of soldiers approached a strongly fortified walled city. Alexander, standing outside the walls, raised his voice and demanded to see the King. When the King arrived, Alexander insisted that the King surrender the city and its inhabitants to Alexander and his little band of fighting men.

The King laughed. "Why should I surrender to you? You can't do us any harm!" But Alexander offered to give the King a demonstration. He ordered his men to line up single file and start marching. He marched them straight toward a sheer cliff.

The townspeople gathered on the wall and watched in shocked silence as one by one, Alexander's soldiers marched without hesitation right off the cliff to their deaths! After ten soldiers died, Alexander ordered the rest of the men to return to his side. The townspeople and the King immediately surrendered to Alexander the Great. They realized that if a few men were actually willing to commit suicide at the command of this dynamic leader, then nothing could stop his eventual victory.

The question for us is, "Are we as obedient to our Lord Jesus Christ as those soldiers were to Alexander the Great? Are we as committed and dedicated to Him we are willing to spend and be spent for the advancement of His Kingdom on earth?" With such men and women of unflinching loyalty and devotion, how much power He will be able to exert through us and how soon the work of carrying the gospel to the world may be finished.
